WORK EXPERIENCE

INFORMATION TECHNOLOGY SOLUTION PROVIDER

COOP FULL STACK DEVELOPER

May 1, 2023 - August 31, 2023

- Full Stack Developer on many Ontario Government projects.
- Worked alongside several senior developers and showed my skill set in both front end and backend development.
- Worked extensively in Angular frontend framework using TypeScript, HTML and CSS.
- Also worked on the backend working with database of clients and modifying APIs to support new functionality
- Completed tickets assigned weekly on Jira, and documented my changes extensively.
- Worked at a full pace in the Agile environment attending weekly stand up meetings and learning valuable skills everyday.

CLEARBRIDGE MOBILE

COOP PROJECT MANAGER

May 2021 - September 2021

- Created extensive and detailed documentation on internal processes on Jira and Atlassian.
- Created presentations to teach team members about new project management practices that helped the team become more efficient.
- Shadowed a head project manager, letting me learn and participate in the agile project management process, and learning how the software/feature cycle works.

SIDE PROJECTS

SYLLABUSPRO | ANDROID AND IOS APP (JAVA AND SWIFT)

- A mobile app that replaces the outdated Syllabus that students get at the start of every semester
- Scans syllabus PDF documents to collect deadlines for assessments and automatically saves them in the app and puts them in your Google or Apple Calendar.

VOLUNTEERING EXPERIENCE

BRAMPTON SOCCER CENTRE SOCCER SKILLS AND DRILLS

ASSISTANT

Sept 2016 - June 2018 | Brampton Ontario

- Took leadership organizing and coordinating soccer skills and drills classes.
- Regularly showed patience while working with children.
- Managed subordinate volunteers to distribute workload to complete all required drills on time.

AWARDS

2nd Place - 2019 Peel Skills Coding Challenge
